Subject: EPA HPS Parcel C IRACR RTC comments
Attachments: 20170816 Response to Comments Parcel C Draft I-RACR - EPA.pdf

Hi John:

I am essentially fine with the Parcel C IRACR RTC.

I did have a couple of recommendations (commitment to return if LTM shows the need, map for utilities abandoned in place) and one word change (replace the word "may" with "will") request.

Please see the attach marked up pdf for my specific comments.

Since the comments are so minimal, I plan to send the attached pdf to the Navy instead of a comment letter.

The comments are due this Friday, September 1st.

Thanks!

Judy
